In the published article “Muoi Duy Nguyen \*, Anh Ngoc Le, Ngan Thi Bui, Hong Minh Thi Nguyen, Hang Thu Thi Nguyen (2025). Application of principal component analysis on seismic attributes to predict the distribution of early miocene reservoirs in the northeast Bach Ho. *Journal of Mining and Earth Sciences* 66(4). 1-10. DOI: 10.46326/JMES.2025.66(4).01”, the Authors’ affiliation information was inadvertently omitted. The authors apologize for any inconvenience this may have caused.

This research was conducted by a specific group of scientists at Hanoi University of Mining and Geology. The correct Authors’ affiliation should read as follows:

Muoi Duy Nguyen\*, Anh Ngoc Le, Ngan Thi Bui, Hong Minh Thi Nguyen, Hang Thu Thi Nguyen  
*Basin, Stratigraphy and Sedimentary Processes (BSSP) Research Group, Hanoi University of Mining and Geology, Hanoi, Vietnam*
